	Plan agency in the development of the Consolidated Plan.
	The PHA has consulted with the Consolidated Plan agency during the development of this PHA
	Plan.
	Activities to be undertaken by the PHA in the coming year are consistent with specific initiatives
	contained in the Consolidated Plan. (list such initiatives below)
	Other:
	-
	• The Atwood Housing Authority will continue to maintain and renovate its Public Housing Units.
	• The Atwood Housing Authority will continue to provide accessible housing to persons that are
	elderly and/or persons with disabilities.
	• The Atwood Housing Authority will continue to market its public housing program to make
	elderly and/or disabled families and individuals aware of the availability of decent, safe, and
	affordable housing in Atwood, Kansas.

Yes Y	X No: Does the PHA request financial or other support from the State or local government agency in

2. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan

for the jurisdiction: (select all that apply)

- 4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments:
  - The State of Kansas Consolidated Plan endorses the continuing objectives of national housing policy in the National Affordable Housing Act of 1990, including: ensure that all residents have access to decent shelter; increase the supply of affordable housing; make neighborhoods safe and livable; and reduce generational poverty in assisted housing.
  - The Housing Development Plan contains the following priorities that relate to resident access to rental housing.
    - o Small, Related Households Very Low and Low Income
    - o Large, Related Households Very Low and Low Income
    - o Elderly Households Very Low and Low Income
    - o Disabled Households Very Low and Low Income

Strategy objectives include replacement/rehabilitation of deteriorated rental housing stock; make rental housing affordable in higher cost markets. The Consolidated Plan acknowledges that some senior citizen housing has a high vacancy rate. Nevertheless, about 18,000 elderly households have housing problems. About 49% of elderly households pay more than 30% of their income on housing. Most elderly households are on fixed incomes. About 23,000 persons over the age of 65 are mobility impaired; about 31,000 persons over the age of 65 have self-care limitations. Attention must be given to elderly households with special needs.

#### C. Criteria for Substantial Deviation and Significant Amendments

#### 1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### A. Substantial Deviation from the 5-year Plan:

- Changes to rents or admissions policies
- Additions of non-emergency work items (items not included in the current Annual Statement or 5 Year Plan,
- Any change to demolition/disposition, designation, or conversion activities.

#### A. Significant Amendment or Modification to the Annual Plan:

Significant amendments or modifications are defined as discretionary changes in the Annual Plan
of the Atwood Housing Authority that fundamentally change the Plan of the agency and which
require formal approval of the Board of Commissioners. An exception to this definition will be
made for change adopted to reflect regulatory requirements by HUD. Such changes will not be
considered as substantial deviations.

HUD 50075 OMB Approval No: 2577-0226 Expires: 03/31/2002

#### **Resident Board Minutes**

The tenants of the Atwood Housing Authority met on Wednesday, December 18, 2002. Fifteen tenants attended. The Executive Director, Carole Luedders, welcomed them and explained why we needed their input.

After explaining the projects that were in the FYE 3-31-03 Annual Plan, the Executive Director asked for the tenant group to discuss improvements and/or major repairs that they thought the Board of Commissioners should consider.

The tenants discussed the yard, attic fans to help with the summer heat. The attic fans and the yard will be projects funded by the 2003 Capital Funds.

The Executive Director said that exterior doors were planned to be replaced and the aged tile in the apartments would be replaced. Everyone agreed that the tile definitely needed to be replaced.

No other suggestions came from the tenants.

The Executive Director thanked the tenants for their input, and refreshments were served.
